markilux
The best under the sun

markilux markant

The free-standing awning system markilux markant is protection against sun, wind and rain, that can be tailored to your precise requirements. The awning, integrated into the frame, lends the system a textile character, its fabrics making it possible to create the pleasant colour ambience you have in mind. The markilux markant offers protection, security, freedom, outstanding looks and comfort in a purist design.

On request – that little bit more

Whether in combination with heaters, atmosphere-creating LED Line or LED Spot lighting: the markilux markant ticks every box in creating a feel-good space in the open air.

Awning system

maximum post separation up to 600 × 600 cm with two independently functioning awnings, as a 1-field unit up to 300 × 600 cm, overall height 260 cm, other heights are possible

Options

LED lighting, wall connection, vertical cassette roller blinds, lateral wind protection and extra privacy, panorama window
